## MEMORANDUM

**FOR** : The Regional Executive Directors  
DENR Regions IV-B, V, VI, and IX

**FROM** : The OIC, Assistant Secretary for Field Operations-  
Western Mindanao, and Director, in concurrent capacity

**SUBJECT** : **REQUEST FOR ASSISTANCE AND SUBMISSION OF  
DOCUMENTS FOR THE DOCUMENTATION OF BEST NGP  
PLANTATION SITES**

**DATE** : APR 05 2023

In line with the Department's objective to bring the National Greening Program (NGP) closer to the public and other stakeholders, the NGP Coordinating Office (NGPCO) proposes to strengthen its social media presence and Information, Education, and Communication (IEC) campaigns through the production of audio-visual presentations (AVPs) on the success stories of certain NGP plantation sites in the country.

This year, we intend to produce three (3) video packages, each comprised of three (3) sites that will entail guided interviews, photos, and video shoots which we selected as regions IV-B, V or VI, and IX respectively.

In this regard, the Office is requesting the identification of proposed three (3) NGP best sites to the National Greening Program Coordinating Office through this link: <https://tinyurl.com/ngpbestsites2023>.

The three (3) selected best sites per region must have a captivating history that will showcase the importance and emerging impacts of NGP as well as the experiences, good practices, and lessons in the lives of the locals in terms of its economic and ecological value.

Once the Regional Offices have pre-selected the sites, a team from FMB will also conduct an interview with the People's Organization (PO) President and at least three (3) locals per site for their testimonials.

We request your office to please extend necessary assistance to the team that will be deployed, including coordination with the POs that will be visited, and we will firm up with you the schedule of the activity in your respective regions.

Attached is a template for the profile of the sites, for your reference.

For inquiries, you may contact your designated focal person at the National Greening Program Coordinating Office (NGPCO) through telephone number (032) 8927-4873 or email address [frcd.rfrs@fmb.denr.gov.ph](mailto:frcd.rfrs@fmb.denr.gov.ph).

We would appreciate receiving such information on or before April 10, 2023.

FOR YOUR CONSIDERATION AND APPROPRIATE ACTION, PLEASE.

**ARLEIGH J. ADORABLE, CESO III**
