Dear Dir. Claudio:

This is in connection with the case filed by the developers/contractors of the Coron Bay Reclamation Project subject of PRA's total forfeiture which is due for filing of position paper with the RTC Branch 163-CORON on May 1, 2023. In this regard, may we respectfully request for the DENR-MIMAROPA representatives familiar with this case during the conduct of ocular inspection to be undertaken jointly by PRA and Office of the Government Corporate Counsel (OGCC) and your representatives on April 26-27-28, 2023. Furthermore, OGCC is requesting an online meeting during the duration of the Coron visit with your office for real-time consultation as a result of observations made at the site. The purpose of this coordination is to avoid any conflict or inconsistency and to come up with a harmonious collaboration of facts and events. Your immediate reply on this urgent matter shall be highly appreciated. Thank you.

Dear Dir. Landrito:

This is in connection with the case filed by the developers/contractors of the Coron Bay Reclamation Project subject of PRA's total forfeiture which is due for filing of position paper with the court on May 1, 2023, may we respectfully request for the DENR representative during the conduct of ocular inspection to be undertaken jointly by PRA and OGCC and your PENRO/CENRO representatives on April 26-27-28, 2023. Furthermore, OGCC is requesting an online meeting during the duration of the Coron visit with your team and any representative from DENR-MIMAROPA Office of RED-Claudio for real time consultation as a result of observations made at the site. Your immediate reply on this urgent matter shall be highly appreciated. Thank you.
