To whom it may concern,

Good day!

I am writing after reading your article from <https://palawan-news.com/denr-urges-land-buyers-in-palawan-to-do-proper-due-diligence/> with regard to buying lands in Palawan. As we would like to purchase a lot in El Nido, in Sitio Kiminawit, Barangay Bebeladan, which the owners of Isla Echague are selling, I would like to know if you can extend any assistance in verifying a lot of interest before we will pay.

We are first-time lot buyers and also not a native of Palawan. We are also OFWs and can only visit the lot of interest this June.

We would appreciate any help or advice you can give us or if you can refer any person that could help us in the process, we would truly be grateful.

Thank you very much and I hope to hear from you very soon.

Kind Regards,

Karen B.
