April 21, 2023

MEMORANDUM

FOR : The Regional Executive Director
1515 DENR By the Bay Building, Roxas Blvd,
Brgy., 668, Ermita, Manila

FROM : The OIC, PENR Officer

SUBJECT : REQUEST FOR APPROVAL OF THE 4-DAY WORKWEEK
SCHEDULE FOR ALL OFFICES OF DENR IN THE PROVINCE OF
OCCIDENTAL MINDORO

This is in relation to one of the presented issues and concerns of this office during the 1st Quarter Management Conference last April 19, 2023, that Occidental Mindoro is currently on a power crisis resulting to only 4-hours of daily power supply in varying schedule released by the Occidental Mindoro Electric Cooperative (OMECO).

In order not to disrupt the delivery of service, while also attending to various virtual meeting, this office is prompted to utilize our generator sets for almost 6 hours per day with a weekly consumption of 60 liters per week doubling the 30 liters per week regular consumption. Though generator sets are regularly checked and maintained, we are still afraid that they might malfunction anytime soon due to the extended usage.

The effects of the high heat index this summer season are aggravated by the on-going power crisis. Health conditions of our personnel are compromised and makes our facilities less conducive for working. As of this writing, one of our employees already suffered high blood pressure and was brought to the Provincial Hospital.

In this connection, we are requesting for the immediate approval of a 4-day workweek arrangement from Monday to Thursday with reduced work hours from 8:00am to 5:00pm. Moreover, a suspension of wearing of uniform is also highly requested.

Attached is the daily power supply schedule in some areas in the province.

For information and immediate approval.
