MEMORANDUM FOR THE PRESIDENT

THRU: EXECUTIVE SECRETARY LUCAS P. BERSAMIN

FROM: SECRETARY BIENVENIDO E. LAGUESMA

Dept. of Labor & Employment
Office of the Secretary

**SUBJECT: PHP127.2 MILLION DOLE ASSISTANCE TO 22,175 AFFECTED
WORKERS OF THE OIL SPILL IN REGIONS IV-B AND VI**

DATE: 14 APRIL 2023

Further to our report dated 15 March 2023 on the DOLE interventions in response to the needs of workers affected by the oil spill incidence in Region IV-B and Region VI, may we submit the following updates:

The DOLE MIMAROPA profiled 18,421 TUPAD beneficiaries from 10 municipalities in Oriental Mindoro. The implementation of emergency employment under the Tulong Panghanapbuhay sa ating Disadvantaged Workers (TUPAD) Program shall commence after the conclusion of DSWD's Cash-for-Work (CFW) Program. Further, DOLE MIMAROPA will carry out the implementation of DOLE-DOT Training-cum-Production (TCP) for 1,471 beneficiaries secondarily affected by the oil spill incidence. This will provide program beneficiaries with skills training and livelihood assistance as an alternative for affected workers to earn income.

For workers affected in Antique, DOLE Region VI already released the wages of the TUPAD beneficiaries for the first 10 days (15-24 March 2023), of which 457 out of 459 beneficiaries have already claimed their salaries. Meanwhile, 1,824 worker beneficiaries are about to commence their work under the TUPAD program.

In addition, 1,503 beneficiaries from Caluya, Antique and 217 beneficiaries from the 10 coastal municipalities of Antique were already profiled for the next batch of TUPAD implementation in the area.

Total funding support for the abovementioned interventions reached Php127.2 million, benefiting 22,175 affected workers.

Attached is the detailed report submitted to the National Disaster Risk Reduction and Management Council (NDRRMC) Early Recovery Cluster for your ready reference.

For the President's information and further instruction.
