CENRO QUEZON, PALAWAN IN CELEBRATION OF WORLD  
WETLANDS DAY CY 2023**

**World Wetlands Day** is celebrated every February 2 to raise global awareness about vital role of wetlands for people and our planet. The theme for the 2023 “World Wetlands Day” “*It’s time for Wetlands Restoration*” which emphasizes the urgent need to restore and revive degraded wetlands and to raise global awareness and encourage to take action to rapid loss of wetlands globally.

Wetlands play important roles like water purification systems for clean water supply, regulates water flow and precipitation, act as food control system, provide shoreline stability, serve as reservoirs of biodiversity, mitigate climate change and supply food.

The celebration for World Wetlands Day was conducted on February 09, 2023 at Tagbunsaing Lake, Barangay Berong, Quezon, Palawan. The said activity was initiated by Municipal Government of Quezon, Palawan and LGU Barangay Berong, Quezon, Palawan spearheaded by LGU-MENRO. The World Wetlands Day was attended and participated in by CENRO-Quezon, Palawan personnel together with Berong Nickel Corporation, DILG-MLGOO, Philippine Coastguard, PNP-Maritime, Mayor’s Office representatives, Rescue 165, PCSD and DPWH.

The personnel of CENRO Quezon, Palawan distributed IEC materials pertaining to wetlands to the participants before the short program started. At around 8:30 in the morning the program took place wherein, OIC-CENRO/Concurrent PASu Renato S. Gonzaga shared about wetlands and its importance.

After which, the participants conducted clean-up activity along the Tagbunsaing Lake, Barangay Berong, Quezon, Palawan. During the activity, the common garbage collected were single used plastics, fishing net, tin cans and glass bottles. A total of one hundred ten (110) participants were attended composed of seventy (70) male and forty (40) female.
