DIRECTOR LORMELYN E. CLADIO, CESO IV  
Regional Executive Director  
MiMaRoPa

Madam:

The Mindoro State University submitted a proposal to the Foreign Assisted and Special Project Services in compliance to the Memorandum released by the Director of FASPS. While we were able to beat the deadline, we missed asking for endorsement and initial review by your office.

In this regard, may we request your comments and endorsement for the attached proposal?

Thank you very much.

Very truly yours,

KATHERINE P. SANCHEZ-ESCALONA, PhD, EnP  
Professor III
