For information and record.

IMELDA M. DIAZ

PENRO Marinduque Advocates for Women Empowerment in Environmental Conservation and Protection

On March 31, 2023, OIC-PENR Officer Imelda M. Diaz hosted the regular TV Program entitled "*Talakayang Pangkalikasan ng DENR Marinduque*" via live telecast at 3:00 PM in Marinduque News Network (MNN), a Local Radio-TV Network in Marinduque Lucky Seven Channel 3. This month's episode focused on the celebration of 2023 National Women's Month. This 2023, the PCW launches a new recurring theme for the celebration: "*WE for gender equality and inclusive society*".

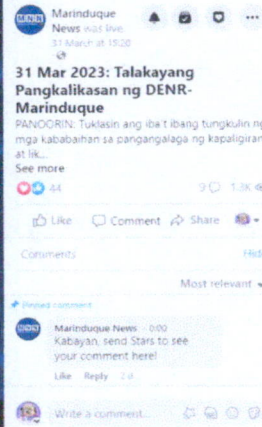

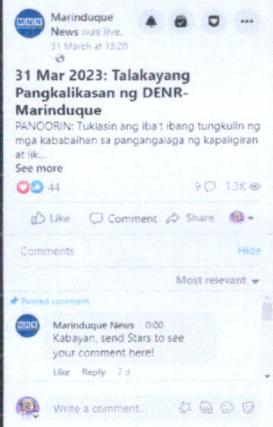

PENRO Diaz noted the various activities organized by DENR-PENRO Marinduque, in support of the Philippine Commission on Women's (PCW's) campaign to signify support for gender equality and women's empowerment, and to cap off this month-long celebration, this Office invited Hon. Adeline M. Angeles, Vice Governor of Marinduque and 2022 Gender and Development (GAD) Champion, as the Special Guest and Resource Person. Vice Governor Angeles emphasized her advocacy in the ongoing endeavor of the Provincial Government of Marinduque to institutionalize numerous programs and projects in support of women's right and protection. She emphasized the "*Saklolo at Gabay sa Ina at Pamilya (SAGIP)* Ordinance," which provides for the Provincial Government's institutionalized intervention in the recovery of abused women and children.

In terms of environmental preservation, she emphasized that as a legislator, she had submitted various Resolutions, such as the Marinduque Environmental Code, which she hoped would be enacted within this quarter or throughout her term. This is an initiative that will safeguard the environment while promoting a variety of activities and projects that may be environmentally hazardous. Furthermore, she emphasized her contributions to several women's organizations, such as the Boac Women's Club. She went on to list the practical contributions of Marinduque's oldest NGO, the Marinduque Council for Environmental Concerns (MACEC), to the protection and conservation of the environment in the province of Marinduque.

PENRO Diaz, on the other hand, cited many celebrations and highlighted activities carried out by DENR-PENRO Marinduque during the month of March, including the Inauguration of the Pawikan Hatchery Center at Brgy. Masiga, Gasan, Marinduque, in conjunction with the celebration of World Wildlife Day on March 3, 2023, with this year's theme "*Partnerships for Wildlife Conservation*," which provides an opportunity to focus on people at all levels who are working to make a difference in the conservation of species of wild fauna and flora. In addition to World Wildlife Day, she cited that on March 2, 2023, PENRO Marinduque released sixty (60) turtle hatchlings at Brgy. Lupac, Boac, Marinduque. Furthermore, PENRO Diaz also highlighted the simultaneous tree planting activity in the riverbanks of Brgy. Magapua, Mogpog, Brgy. Pinggan, Gasan, Brgy. Kay Duke, Torrijos and Brgy. Buyabod, Sta. Cruz, Marinduque in celebration of World Water Day on March 21, 2023. This activity was participated by the Bureau of Fire Protection (BFP), Municipal Police Station (MPS), Bureau of Jail Management and Penology (BJMP), BLGU Magapua, BLGU Pinggan, BLGU Kay Duke and BLGU Buyabod. She stressed the importance of collective efforts of different sectors in protecting and conserving the environment and natural resources.
