Dear all,

Good day!

The "Month of the Ocean" (MOO) is celebrated annually in the Philippines during the month of May by virtue of Presidential Proclamation No. 57 issued in 1998. Annually, MOO aims to highlight the conservation, protection and sustainable management of the country's coastal and ocean resources.

For this year's MOO, the theme will be adopting UNESCO's Ocean Decade Challenge 3 "Sustainably Feed the Global Population", which is anchored in the United Nations Decade of Ocean Science for Sustainable Development (2021-2030) message, "The Science We Need for the Ocean We Want".

With this, please see attached advance copy of the DENR Special Order authorizing the annual observance of MOO, including the official logo and banner. Proposed activities for all concerned regional/field offices shall be cascaded once finalized.

For your information and reference.

Have a blessed week ahead!

Respectfully,

MOO Team
DENR Biodiversity Management Bureau
Coastal and Marine Division
