**SUBJECT :** **INVITATION FOR THE TECHNICAL REVIEW OF THE EXPANSION PROJECT OF SHERIDAN BEACH RESORT AND SPA BY JECO DEVELOPMENT CORPORATION**

The Jeco Development Corporation has submitted their Environmental Performance Report and Management Plan (EPRMP) for their above-mentioned proposed expansion project. In line with this and in accordance with the DENR Memorandum Order 2023-01, the EMB MIMAROPA would like to invite you to attend the **Technical Review on 14 August 2023, (Monday), 9:00 AM** at the Office of the Regional Director, 6th-floor DENR by the Bay Bldg., Roxas Blvd., Ermita, Manila. If physical attendance to the Technical Review is not feasible, the meeting may be accessed virtually via Microsoft Teams through the **link: <https://tinyurl.com/SheridanTR>**.

The activity aims to ensure that the data, impact assessment and management measures presented in the EIA Report are those that will be critical in the integration of environmental and social concerns of the proponent's Feasibility Study and downstream activities of the project. Additionally, the Technical Review aims to advise and inform the decision-making of other units, bureaus, offices, and regulatory government agencies on the critical environmental and social concerns of a development proposal and lastly, to provide guidance for validation of projected environmentally and socially significant impacts.

Attached herewith are the project's EPRMP and its annexes, the Technical Scoping Checklist, for your review and reference. Kindly input your comments in the attached Pro-forma for the Environmental Impact Assessment Review Committee (EIARC) Additional Information (AI) Request and send it to the email address: [eia.embr4b@gmail.com](mailto:eia.embr4b@gmail.com) **on or before the scheduled Technical Review**.
