**MEMORANDUM**

FOR : All Regional Executive Directors

THRU : The Chief, Planning and Management Division

FROM : The OIC Assistant Secretary for Field Operations-Western Mindanao  
and Director in concurrent capacity

SUBJECT : **UPDATING OF TARGETS AND ACCOMPLISHMENTS  
UNDER THE PHILIPPINE MASTER PLAN FOR CLIMATE  
RESILIENT FORESTRY DEVELOPMENT (PMPCRFD)**

DATE : **AUG 14 2023**

The Forestry Management Bureau (FMB) spearheaded the conduct of the Validation Workshop for the Assessment of the Philippine Master Plan for Climate Resilient Forestry Development (PMPCRFD) on August 1-4, 2023 in CALABARZON.

Results of the validation workshop revealed that the universe, baseline and targets of the activities identified under the PMPCRFD still needs to be reconciled and further updated to be able to generate a better picture on our milestone accomplishment under the PMPCRFD and set the strategic direction of the Forestry Sector. Establishing appropriate baseline data shall serve as the basis for management decisions and monitoring and evaluation and updating of the implementation plan.

In this regard, we would like to request for your inputs on the google sheet for the updating of the PMPCRFD implementation plan target which can be accessed through this link: <https://rb.gy/zwweg>. We would highly appreciate receiving your inputs by **25 August 2023**.

For reference, you may access copies of the regional action plans through this link: <https://rb.gy/8pfcM> and the result of the regional consultation in 2021 through this link <https://rb.gy/y7jll>.
