PUBLIC SCOPING REPORT

Proposed 23.1 MW Diesel Power Plant Project
S.I. Power Corporation (SIPCOR)

1 Public Scoping Program

The Public Scoping for the Proposed 23.1 MW Diesel Power Plant Project of S.I. Power Corporation was held on July 31, 2023 at the Barangay Gymnasium of Barangay Manalo, Puerto Princesa City, Palawan. This scoping process is an early stage of the Environmental Impact Assessment (EIA), providing the proponent the ground to disseminate to the impacted community the overview of the proposed project, gather issues and concerns, and significantly discuss and collate the information that will contribute to the establishment and completion of the Environmental Impact Statement. Public participation is highly considered as a factor that could notably affect the decision-making of the parties involved. Hence, the stakeholders were invited to participate and encouraged to attend this scoping process.

PUBLIC SCOPING REPORT

Proposed 23.1 MW Diesel Power Plant Project
S.I. Power Corporation (SIPCOR)

2 Minutes of the Public Scoping

Project: Proposed 23.1 MW Diesel Power Plant Project

Activity: Public Scoping

Date: July 31, 2023 (Monday)

Time: 10:32AM-12:27PM

Venue: Gymnasium, Barangay Manalo, Puerto Princesa, Palawan

Minutes of the Meeting

- The program started at 10:32AM by the Master of Ceremony , Ms. Pagkalinawan.
- The program started with an opening prayer and singing of national anthem via AVPs.
- After the opening ceremony , the Master of Ceremony Ms. Pagkalinawan- Environmental Specialist of EnviSynergy Corporation , acknowledged the presence of the stakeholders/participants, this include the representatives from the Communnity Environment and Natural Resources Office , Palawan Council of Sustainable and Development Staff, City Planning and Development Office, Office of the Congressman represented by the Consultant of 3rd District, Local Government of Barangay Manalo, Brgy. Utility, Tanod and locals from Manalo.
- The proponent, S.I. Power Corporation , was represented by Engr. John Drazen Tanciangco and was accompanied by Engr. Reena Catingub (Plant Engineer).
- Ms. Maraih Missy Pagkalinawan, Environmental Specialist of EnviSynergy Corporation, was accompanied by Ms. Sheila Mae Ancla, Senior Environmental Specialist.
- Barangay Captain Lorna Dela Rosa , gave her opening remarks acknowledging the presence of the stakeholders and welcoming as well the participants.
- Ms. Leonara Mansueto- Senior Environmental Management Specialist (SEMS) of EMB- Palawan, acknowledged the presence of the participants. Afterwards, presented the Environmental Impact Assessment and its Process and emphasized the considerations in acquiring the Environmental Compliance Certificate (ECC).
- The proponent, represented by Engr. Tanciangco. He presented the project information including the project components. Also, the community benefits that were discussed during the IEC.
- Ms. Ancla, Senior Environmental Specialist presented the IEC Drive conducted last June 16, 2023 including the summary of issues and concerns of the participants.
- It was followed by the open forum facilitated by the representative by the SEMS of Environmental Management Bureau (EMB) - Palawan, Ms. Leonora Mansueto.
- Summary of the raised issues and concerns of the participants, and responses of the concerned parties (see Table 1).

PUBLIC SCOPING REPORT

Proposed 23.1 MW Diesel Power Plant Project
S.I. Power Corporation (SIPCOR)

- Afterwards, closing remarks was given by the SIPCOR Representative, Engr. Tanciangco.
- The Public Scoping session adjourned at 12:27PM.

Table 1. Raised Issues and Concerns, and Responses

Name	Issues	Response
Mr. Nelson Conde (Local Resident of Brgy. Manalo; Worker at Agrarian Reform)	Questioned if is there potential environmental effects might arise if the project will be implemented. Asked if the workers of the proposed Diesel Power Plant will have benefits such as SSS.	Engr. John Drazen Tanciangco (SIPCOR Representative, Project Lead) : Assured to follow the standards set by DENR. In terms of emission , there is a technology designed for limited emissions. In terms of the water, Tandayag River is distance away from the proposed power plant. If there will be discharged water from the plant , it will undergo treatment and be fetched. Engr. John Drazen Tanciangco (SIPCOR Representative; Project Lead) : Responded to provide an answer once confirmation and information from the contractor will be given.
Mr. Bernardo Magbanua Jr. (Brgy. Kagawad-Manalo)	Raised concern about the potential dumping of waste in the river similarly to the previous project implemented and if the company will pay attention to their complaint.	Engr. John Drazen Tanciangco (SIPCOR Representative; Project Lead) : Assured that they will provide power without compromising the safety and health of the people. Ensuring they will adhere to the standards set by the DENR, who will monitor the operation of the project and to mitigate the possible environmental effects. Ms. Leonora Mansueto (SEMS) (DENR-EMB Representative): Emphasized the multipartite monitoring team composed of barangay, DENR, CENRO, City government, and PCSD.

PUBLIC SCOPING REPORT

Proposed 23.1 MW Diesel Power Plant Project
S.I. Power Corporation (SIPCOR)

Ms. Vica Marcelo <i>(Office of the Congressman, Consultant 3rd District)</i>	<p>Questioned if there is a rehabilitation plan and waste management plan available if so unexpected incidents will happen that will lead to sudden closure of the plant.</p>	<p>Engr. John Drazen Tanciangco <i>(SIPCOR Representative, Project Lead) :</i></p> <p>Decommissioning plan will be prepared.</p> <p>Leonara Mansueto (SEMS) <i>(DENR-EMB Representative):</i></p> <p>Abandonment plan will be submitted prior to the implementation of the project.</p>
Ruben Vineola <i>(Local Resident of Brgy. Manalo)</i>	<p>Asked assurance of the hiring of local manpower. Memorandum of Agreement.</p>	<p>Engr. John Drazen Tanciangco <i>(SIPCOR Representative):</i></p> <p>Assured that hiring of locals are prioritized as agreed upon with the Barangay Captain. Hiring will be based on their capability, skills, and experience.</p> <p>Hon. Lorna Dela Rosa <i>(Barangay Captain of Manalo) :</i></p> <p>Further clarification about the hiring process of laborer/workers. Consideration and understanding must be observed.</p>
Freddie Luchavez <i>(IMPR Brgy. Manalo, Representative Admo Chairman)</i>	<p>Requested for proof that the acquired land is private or public, or within ancestral domain.</p>	<p>Engr. John Drazen Tanciangco <i>(SIPCOR Representative):</i></p> <p>On-going application and compliance of certificate of non-overlap to NCIP. The acquired land is with Land Title and no ancestral domain will be within the project site coverage.</p>
Ronnie Sumiller <i>(CENRO/ Community Environment and Natural Resources Office)</i>	<p>Raised concern on capacitating the local community, social development plan, and corporate social responsibility plan.</p>	<p>Engr. John Drazen Tanciangco <i>(SIPCOR Representative):</i></p> <p>Assured that there will be a corporate social responsibility plan and will capacitate the community that will enhance their innate skills. It will also include seminars and</p>

		trainings related to health, safety , and environment to the host community as well as livelihood.
Estrelita Dela Cruz (City Planning and Development Office)	Asked about the tenurial instruments in Nacidoc, the location of the project site.	<p>Engr. John Drazen Tanciangco and Reena Catingub (SIPCOR Representatives):</p> <p>The lots or land acquired were private property owned by Alfredo Sumandal (2 lots), Gaudencia Sumandal, Luisa Gacasa, Venancio Bonbon (2 lots), Allan Condesa</p> <p>Hon. Lorna Dela Rosa (Barangay Captain of Manalo):</p> <p>The land acquired are private property.</p>
Rafael Ibanez (Resident of Brgy. Manalo)	<p>Raised concern about the discussion of 0.5 ha of the project site wherein it was also emphasized that there were nine (9) lots acquired by the proponent.</p> <p>Asked about the owner of the acquired 0.5 ha of the proposed project.</p> <p>Asked clarification if the on-going public scoping is for diesel power plant, since it was mentioned that there will be solar panel and be situated within hectares of land.</p>	<p>Engr. John Drazen Tanciangco (SIPCOR Representative; Project Lead):</p> <p>Emphasized that the project site will occupy 0.5 ha and owned by Sumandal. The other acquired lots are intended for the Solar.</p> <p>Sheila Mae Ancla (Senior Environmental Specialist, EnviSynergy):</p> <p>Emphasized again that the facility is hybrid. The on-going application is only for the Diesel Power Plant Project.</p> <p>Leonora Mansueto (SEMS) (DENR -EMB Palawan Representative) :</p> <p>Explained that the ECC is site specific and project specific. The application of the DPP and Solar are separate.</p> <p>Emphasized that the Public Scoping is clear that it is for Diesel</p>

SUBJECT: INVITATION TO ATTEND THE PUBLIC SCOPING FOR THE PROPOSED 23.1 MW SIPCOR DIESEL POWER PLANT OF SI POWER CORPORATION

Dear *Sir/Madame*:

We are pleased to invite you to attend the Public Scoping for the proposed **23.1 MW Sipcor Diesel Power Plant of SI Power Corporation** to be located at **Sitio Nacidoc, Barangay Manalo, Puerto Princesa City, Province of Palawan**. The said activity is scheduled on:

DATE/TIME	VENUE
31 July 2023 (Monday) / 09:00 AM	Barangay Gymnasium, Brgy. Manalo, Puerto Princesa, Palawan

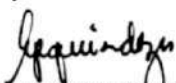

Public scoping is an early stage in the Environmental Impact Assessment Process where the proponent aims to provide an overview of the proposed project, and proposed action, gather issues and concerns, and other relevant information to provide the scope of work and terms of reference for the preparation of the Environmental Impact Statement.

A copy of the Project Description for Scoping is downloadable at the EMB Region IV-B MIMAROPA website: <http://mimaropa.emb.gov.ph> (kindly access the Notice of Public Scoping link found at the lower right portion of our website).

For more information about the EIS system and EIA process, please visit the **Provincial Environmental Management Unit (PEMU)- Palawan** at PENRO Compound, Brgy. Sta. Monica, Puerto Princesa, Palawan or email us at embmimaropa@emb.gov.ph and contact us at **(02) 8536 9786**.

Thank you and we look forward to your active participation.

Sincerely,

SUBJECT: INVITATION TO ATTEND THE PUBLIC SCOPING FOR THE PROPOSED 23.1 MW SPCOR DIESEL POWER PLANT OF SI POWER CORPORATION

Dear *Sir/Madame*:

We are pleased to invite you to attend the Public Scoping for the proposed **23.1 MW Sipcor Diesel Power Plant of SI Power Corporation** to be located at **Sitio Nacidoc, Barangay Manalo, Puerto Princesa City, Province of Palawan**. The said activity is scheduled on:

DATE/TIME	VENUE
31 July 2023 (Monday) / 09:00 AM	Barangay Gymnasium, Brgy. Manalo, Puerto Princesa, Palawan

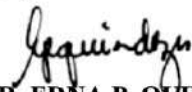

Public scoping is an early stage in the Environmental Impact Assessment Process where the proponent aims to provide an overview of the proposed project, and proposed action, gather issues and concerns, and other relevant information to provide the scope of work and terms of reference for the preparation of the Environmental Impact Statement.

A copy of the Project Description for Scoping is downloadable at the EMB Region IV-B MIMAROPA website: <http://mimaropa.emb.gov.ph> (kindly access the Notice of Public Scoping link found at the lower right portion of our website).

For more information about the EIS system and EIA process, please visit the **Provincial Environmental Management Unit (PEMU)- Palawan** at PENRO Compound, Brgy. Sta. Monica, Puerto Princesa, Palawan or email us at embmimaropa@emb.gov.ph and contact us at **(02) 8536 9786**.

Thank you and we look forward to your active participation.

Sincerely,

Greetings!

I hope this email finds you well.

I am writing on behalf of the S.I. Power Corporation in relation to an activity related to Philippine Environmental Impact Statement System (PEISS).

As you may have been informed, we are applying for Environmental Compliance Certificate (ECC) for the Proposed 23.1 MW Diesel Power Plant Project. As part of the mandated process, we are required to conduct a Public Scoping session. During this activity we will gather inputs and suggestions from the stakeholders, which we utmost value and take into consideration.

For further details regarding the aforementioned event, herewith attached is a letter from the Department of Natural Resources – Environmental Management Bureau, granting us to conduct the Public Scoping. Also, the attachments include the program of activities and brochure.

We would greatly appreciate your presence during the session, and we truly acknowledge that your participation will be instrumental for an impactful and successful activity.

If you have any concerns or require additional information, please feel free to contact us at 0917-808-9831 or
