

TAU GAMMA PHI
MIMAROPA REGIONAL COUNCIL

10 August 2023

RED FELIX S. MIRASOL, JR.

Regional Executive Director

Department of Environment and Natural Resources (DENR)

MIMAROPA Regional Office

Ermita, Manila

Subject: Request for Assistance in Tree Planting Activity during the TAU GAMMA PHI MIMAROPA Regional Council's 55th National Founding Anniversary Celebration

Dear **Director Mirasol:**

I hope this letter finds you in good health and high spirits. I am writing on behalf of the **TAU GAMMA PHI (ΤΓΦ) MIMAROPA Regional Council**, a recognized and esteemed fraternity committed to promoting environmental stewardship and sustainable development. As we approach the celebration of our 55th Founding Anniversary, we are excited to embark on a meaningful initiative that aligns with our values and mission.

In line with our commitment to environmental preservation and community engagement, as part of the commemoration of our 55 years of existence, one of the flagship projects we have organized for this occasion is a **Simultaneous Tree Planting Activity** in Oriental Mindoro, Occidental Mindoro, Marinduque, Romblon, and Palawan, scheduled to take place on 01 October 2023. This endeavor aims not only to contribute to the reforestation efforts in the MIMAROPA region but also to raise awareness about the importance of safeguarding our natural resources for future generations.

Recognizing the pivotal role that the Department of Environment and Natural Resources (DENR) plays in promoting sustainable environmental practices, we kindly request your assistance in making our tree planting activity a resounding success. Specifically, we are seeking your support in the following areas:

Expertise and Guidance: We would greatly appreciate the presence of DENR representatives who can provide valuable insights, guidance, and best practices for successful tree planting and maintenance.

Logistical Support: As a large-scale event, logistical arrangements such as sourcing appropriate tree species, tools, and equipment are vital. Any support from the DENR in terms of coordinating these logistics would be immensely beneficial.

Community Engagement: DENR's involvement would significantly enhance community participation and create a positive impact on the local population. Your

department's presence would underscore the significance of this environmental initiative.

Environmental Education: We hope to educate participants about the ecosystem and the importance of tree planting for ecological balance. Your experts could provide informative sessions to enrich our participants' understanding.

We firmly believe that collaboration between the TAU GAMMA PHI MIMAROPA Regional Council and the DENR will amplify the impact of our tree planting activity and contribute to the overall success of our 55th Founding Anniversary celebration.

We kindly request a meeting at your earliest convenience to discuss the specifics of our proposal and explore potential areas of cooperation. Your insights and support would be invaluable as we work together to make this initiative a reality.

You can reach me at mobile number **0916-895-4920**, or through email at **keizhermarasigan@gmail.com**.

Thank you for considering our request. We look forward to your positive response and the opportunity to contribute to the preservation of our region's natural beauty.

Sincerely,

KEIZHER T. MARASIGAN
Secretary General
