**MEMORANDUM**

FOR : All Regional Executive Directors  
THRU : All Assistant Regional Executive Directors for Technical Services  
FROM : The Director  
SUBJECT : **REVIEW AND RE-SUBMISSION OF STATISTICAL REPORTING SYSTEM (SRS) FORM 2: LAND DISPOSITION**  
DATE : 15 AUG 2023

This pertains to the recent submission of Statistical Reporting System (SRS) Forms as of June 2023. After evaluation of the subject matter, there was a huge decrease in the overall remaining Alienable and Disposable (A & D) lands at 150,000 hectares as compared to the 600,000 hectares as of December 2022.

With this, may we again request for the review of the said Form to firm up your data and re-submission of which to this Office through the Land Policy and Planning Division will be on or before September 15, 2023. As per Regional reports, some are undergoing the inventory and updating of records. While these are necessary for the accuracy of data, may we also request that the target completion date be also reflected in the remarks column.

For information and appropriate action, please.
