Dear **RED Mirasol Jr.**;

Greetings of Peace and Solidarity!

The Earth is our Common Home, and the responsibility to protect and nurture it must be taken upon by all peoples regardless of generation, creed, or economic background. We recognize the reality of an existing climate and ecological crisis manifested in the struggle of people worldwide against extreme weather events, degradation of natural resources through slow-onset climate-related effects, and increased threats to biodiversity, health, and security. We further recognize the Philippines' status as one of the most vulnerable countries in this crisis.

In celebration of this year's **International Youth Day** and **Linggo ng Kabataan** by virtue of Republic Act 10742, the **Alpha Phi Omega - National Committee on Environment** and the **Alpha Phi Omega - MiMaRoPa Administrative Region** in partnership with the National Youth Commission (NYC) would like to request the **Department of Environment and Natural Resources (DENR) MIMAROPA Region** as our **INSTITUTIONAL PARTNER** for the conduct of the **REGIONAL SYNCRONIZED COASTAL CLEAN-UP** in the Provinces of Mindoro, Marinduque, Romblon, and Palawan with the Theme: "Kabataan Para Sa Kinabukasan at Kalikasan: Advancing Youth's Role in Nation Building Through Environmental Causes" on **August 12, 2023**.
