MEMORANDUM

JUL 11 2023

FOR : The Regional Executive Director
All Regions

FROM : Supervising Ecosystems Management Specialist
In-Charge, Office of the Director

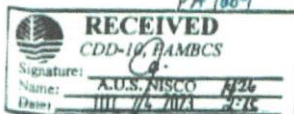

SUBJECT : **ORIENTATION ON THE WORKFLOW OF DATA CLEANSING
OF BIODIVERSITY SPATIAL DATASETS AND CASCADING
OF STANDARDIZED ATTRIBUTES IN DENR CONTROL MAP**

With the objective of improving and integrating biodiversity data management to the DENR Control Map, the Bureau prepared a workflow of data cleansing and standardized attributes of the biodiversity spatial datasets

As a follow-up to the pilot-testing of the standard attributes, the Bureau will be conducting online orientation via Zoom on the workflow and data cleansing process for selected DENR GIS technical staff. The orientation which aims to provide the guidance on the workflow and data cleansing techniques and cascade the standard attributes, is expected to be participated by representatives from the Conservation and Development Division and GIS Operators assigned in the Provincial Environment and Natural Resources Offices (PENRO).

In this regard, may we request for the names including the contact details and email addresses of your nominated participant who will attend the abovementioned orientation. The Biodiversity Policy and Knowledge Management Division of BMB will coordinate with your office on this matter. Should you have any concern or clarification, you may email Mr. Darwin R. Tejerero or Ms. Michelle G. Aplan at bpskmd@bmb.gov.ph or you may reach them at VOIP contact no 6000.

For your information and appropriate action.
