Subject: Request for Approval of our revised Comprehensive Development and Management Plan (CDMP) of the 2.5 ha. area for Forest Land Use Agreement Tourism (FLAgT) located at Sitio Carbon, Brgy. Lajala, Coron, Palawan based on deliberation last September 30, 2020 via Zoom.

Dear Director Mirasol,

I am writing to formally request the review and approval of our Comprehensive Development and Management Plan (CDMP) for the FlagT application proposed for Sitio Carbon, Brgy. Lajala, Coron, Palawan.

Our organization, ISLAS CALAMIANES CORP., is committed to responsible and sustainable development initiatives that positively impact the communities we work with. After meticulous research, data collection, and consultations with local stakeholders, we have crafted a comprehensive CDMP that aligns with the principles of environmental conservation, community development, and cultural preservation.

The proposed project aims to implement a range of initiatives that will create a positive and lasting impact at Barangay Lajala and its residents. The key components of our CDMP include:

Environmental Conservation: We have devised strategies to safeguard the natural resources in the area, protect biodiversity, and minimize any potential adverse effects on the local ecosystem.

Community Development: Our plan includes social development programs that will enhance education, healthcare, and livelihood opportunities for the community, empowering them for sustainable growth.

Cultural Preservation: We value the rich cultural heritage of Baragay Lajala and have incorporated measures to preserve local traditions, customs, and cultural landmarks.

Stakeholder Engagement: Throughout the planning process, we have actively engaged with local authorities, community members, and other relevant stakeholders to ensure inclusivity and transparency in decision-making.

ISLAS CALAMIANES

Our team has diligently complied with all legal requirements and environmental regulations set forth by the appropriate authorities. We believe that our CDMP adheres to the highest standards of sustainable development, and it has the potential to create positive socio-economic and environmental impacts in the area.

We kindly request your esteemed office to undertake a thorough review of our CDMP for the FlagT application in Sitio Carbon, Brgy. Lajala, Coron, Palawan. Your valuable feedback and guidance will be instrumental in improving our initiatives and ensuring their successful implementation.

We are confident that with your support and approval, our project will serve as a model for responsible development and bring about positive change for the local community and environment.

Thank you for considering our request. We would be honored to meet with you personally or virtually to discuss the details of our CDMP and address any questions or concerns you may have.

Please find enclosed all the necessary documents for your review. Should you require any additional information or clarification, please do not hesitate to contact us thru my staff **Jovie B. Sundiam** with her email **jbsundiam@islascalamianes.com** or her phone number **0917-7952006**.

We look forward to your favorable response and the opportunity to work together in fostering sustainable development for Barangay Lajala and its residents.

Yours sincerely,

Janet T. Ong
President
