Dear Members of the TPAMB

On 11 August 1988, former President Corazon Aquino issued Presidential Proclamation 306 establishing Tubbataha as the first no-take national marine park in the country. Thirty-five years hence, Tubbataha continues to be an inspiration for conservation, a living laboratory for scientific research, and a source of pride for us Filipinos.

To commemorate this milestone, we prepared an outreach activity for children at the Activity Center of SM on 11 and 12 August. We will also mount a small photo exhibit, prepare a virtual reality station, and host games with lots of prizes. Our partner, the Metro Pacific Foundation, Inc., (MPIF) has so kindly agreed to shoulder the cost of this event.

The leadership of the TPAMB since 1995 has shaped the Tubbataha we know today. We take this opportunity to thank you for your guidance and support. We prepared Tubbataha t-shirts for you and your representatives. Please let us know your preferred size and we will endeavor to have them delivered by the end of next week - unless you choose to have them picked up at TMO.

We invite you to drop by the Activity Center on Aug 11 and 12, with or without your children or grandchildren, and together, let us celebrate our collective achievements and share our joy.

Happy anniversary sa ating lahat!

Very sincerely yours,

Angelique Songco
