Subject: Invitation to attend an Online / Face-to-Face Workshop for "Data Privacy Act Awareness (DPA) Workshop, Privacy Impact Assessment (PIA), and Cyber Security"

Dear Sir/Madam:

We are pleased to invite you and your personnel in the Human Resource Mgt Section, Finance, Administrative Section, IT, and those who have access to personal data to attend our Face-to-face or Online workshop for Data Privacy Act Awareness and Compliance, Privacy Impact Assessment (PIA) and Cyber Security Threats and Attacks to be held on the proposed workshop dates listed below.

All institutions, both from the Government and Private sector processing personal data in the Philippines are required to comply with RA 10173, the Data Privacy Act of 2012, as well as the Implementing Rules and Regulations (IRR) and memorandum circulars issued by the National Privacy Commission (NPC). Each government agency or instrumentality as per Section 22 of the Data Privacy Act of 2012 is not only responsible for complying with the security requirements mentioned in the law but also ensures that all sensitive personal information maintained by his/her agency are secured, as far as practicable, with the use of the most appropriate standard recognized by the information and communicating technology industry, and as recommended by the National Privacy Commission.

In addition, under NPC Circular No 16-01, one of the general obligations of a government agency engaged in the processing of personal data is to conduct a mandatory, agency-wide training on privacy and data protection policies once a year. A similar training shall be provided during all agency personnel orientations.

We will also provide the participants with deep dive understanding of legal and operational compliance to DPA and also to enable the participants to learn the right way of handling complaints and breach incidents.

Given below are the program modules with the corresponding modules and objectives.

I. PROGRAM OBJECTIVES

MODULES	Objective
DAY 1	
Module 1 – Data Privacy Act - Introduction to Data Privacy Act of 2012 (IRR 10173) - Appoint a Data Protection Officer - Roles of Data Protection Officer	Understand what needs to be done to achieve compliance to RA 10173, its IRRs, and other issuances of the National Privacy Commission. Be aware of the consequences that may arise from being non-compliant to Republic Act 10173, also known as the Data Privacy Act of 2012.
Module 2 – Privacy Risk and Impact Assessment	Know the importance of conducting a Privacy Impact Assessment and an opportunity to discuss experiences of embedding privacy-by-design in your processes.
Module 3 – Privacy Governance and Structure	To practice accountability and understand the role of the organization to build its privacy structure to better manage its compliance with DPA.
DAY 2	
Module 4 – Data Inventory and Mapping	Learn the elements and practical approach of using data inventories/maps to provide a holistic approach to protecting personal data.
DAY 3	
Module 5 – Cyber Security - Awareness of Breach, Cyber Threats, and Attacks Cyber Security/Hacking Demo	The participants can have a view of different phases of threats and attacks guided by a licensed Ethical Hacker. Also, provide good practice in avoiding these threats.
