As part of our commitment to the implementation of forest protection conservation in the province of Romblon, the Department of Environment and Natural Resources (DENR) PENRO Romblon is organizing an Orientation-Seminar on ENR Laws, Rules and Regulations scheduled for December 18-19, 2023. The primary objective is to deputize Deputy Environment and Natural Resources (DENROs) and Wildlife Enforcement Officers (WEOs) while enhancing participants understanding of environmental issues and providing them with effective tools for addressing these concerns.

In view of the above, may we invite resource persons from your office to participate in the 2-day Orientation-Seminar on ENR Laws, Rules and Regulations. We are specifically seeking the participation of two (2) representatives who can bring their expertise to augment discussions and elevate the over-all learning experience.
