Dear: Cenro.,

It is my pleasure to hear from you, however, this letter doesn't signify a significant stop on the said issue, because this unscrupulous land seller Meriam Ocampo of Arado Taytay is still operating over land dealings in an illegal manner.

[@CONTACT CENTER NG BAYAN \(CCB\)](#) please be informed that this CENRO Taytay Palawan, Mayor of the land(Rodriguez), assessor of the land, and Mr Fragonal of Human settlement are receiving salary from your office without doing anything.. [@CONTACT CENTER NG BAYAN \(CCB\)](#) please put this on record! I already gave them the necessary information, why tolerate this seller illicitly dealing land?

Dear: Civil Service,

I trust this letter finds you well. I am writing to bring to your attention a matter of grave concern regarding the apparent reluctance and unprofessional behavior displayed by the Human Settlement Commission of the Philippines.

We have recently encountered challenges in addressing an issue about the illegal activities of Ms. Meriam Ocampo within the Taytay Palawan region. Regrettably, our attempts to seek assistance from the commission have been met with a dismissive response, indicating a lack of willingness to engage in resolving what we believe to be a significant breach of legal and ethical standards.

It has come to our attention that Ms. Ocampo is involved in illegal real estate transactions, specifically selling land without the necessary real estate license. This poses a serious threat not only to the integrity of the real estate market but also to the well-being of the community affected by such activities.

Moreover, the unprofessional conduct demonstrated by the Human Settlement Secretary and Mr. Fragonal, including their apparent indulgence in festivities during the crucial month of December, raises questions about their commitment to upholding the principles of their positions. Such behavior is not reflective of the professionalism expected from public officials entrusted with the welfare of the community.

Attached herewith is a snippet providing insight into the response received from the Human Settlement Commissioner, which, in our view, highlights a concerning lack of urgency and attention to this pressing matter.

We kindly request that you conduct a thorough investigation into this issue, ensuring that appropriate action is taken to address the illegal activities of Ms. Ocampo and to rectify any unprofessional conduct within the Human Settlement Commission.

Your prompt attention to this matter is highly appreciated.

Sincerely,

-Mr. Porisima
