Subject : Request for Administrative Boundaries

Dear Madam,

We, Saman Corporation, HaskoningDHV Nederland B.V., Dohwa Engineering Co., Ltd., Kyong-Ho Engineering & Architects Co., Ltd. Joint Venture (the Consultant), is currently undertaking the contract "Loan No. 3886-PHI: Infrastructure Preparation and Innovation Facility (IPIF) Output 2 – Water Project, Additional Financing, Package 5B" for the Department of Public Works and Highways (DPWH) under the financial assistance of the Asian Development Bank (ADB).

Our team is presently undertaking master plan, feasibility study and detailed engineering design leading to the implementation of identified priority projects in terms of flood risk management for three river basins in the Philippines namely Agno River Basin, Mag-Asawang Tubig and neighboring river basins, and Cadac-an River Basin.

In this regard, we kindly request for your assistance in providing us the following data:

1. Most recent administrative boundary of the Philippines (Country level) in shapefile format;
2. Most recent administrative boundaries of Regions I, II, III, IV-B, VIII, and CAR (Regional, Provincial, City, Municipality, and Barangay levels) in shapefile format; and
3. River systems in the aforesaid river basins in shapefile format. The areas of interest are attached hereto as Annexes 1, 2, and 3 for your reference.

As our project progresses, it is likely that we may require additional information. In such cases, Engr. Marylene Labitan (marylene.labitan@rhdhv.com) our Water Resources Specialist, will be coordinating with your office.

We highly appreciate your support on this undertaking.

Very truly yours,

CHEONG, Byeong Ho
Team Leader

Encl.: Endorsement certification issued by DPWH
