Good day!

I would like to ask your humble office a copy of Verified Survey Returns as requested by Pag-ibig's.

Here is the message sent to me from Pag-ibig regarding the request;

" Per technical description reflected on the title, the bounding road is located along line 4-1. However, per actual inspection and checking on google map, the road is located on line 3-4. "

Attached below is the copy of the transfer certificate of title for your reference.

Hope your office can assist me with this. Thank you!

Sincerely yours,

Arnulfo Abordo
