FOR : **The Regional Director  
Region 4B**

FROM : The Director, Climate Change Service

SUBJECT : **GUEST SPEAKER TO THE “ANG TINIG KLIMA” RADIO  
PROGRAM ON 17 FEBRUARY 2023 VIA ZOOM PLATFORM**

DATE : 10 February 2023

Isang Makakalikasang Araw!

The Department of Environment and Natural Resources holds a weekly radio program entitled, “Ang Tinig Klima”. It is an information and education radio program that intends to increase awareness on the issue of climate change and its relationship to different sectors. It is aired every Friday from 3:00 to 4:00 in the afternoon over AM radio station DZXL, 558 RMN Manila.

On 17 February 2023, Friday from 3:00-4:00 PM, our topic for discussion is **“Transforming Tourism for Climate Action”**. The tourism sector is highly vulnerable to climate change and at the same time contributes to the emission of greenhouse gases (GHG), which cause global warming. This episode will talk about how to accelerate climate action in tourism, particularly toward low-carbon tourism development.

In this regard, may we invite you to be our guest speaker on the said date. We are also inviting representative from the Department of Tourism, as another speaker. In observance of the health protocols, the conduct of this radio program will be via zoom platform and simultaneously aired over DZXL, 558 RMN radio station. It is also live streamed through DZXL and DENR CCS Facebook.

We will coordinate with you through Mel Matubis (09666611239; email [meldiesfm@yahoo.com](mailto:meldiesfm@yahoo.com)) and Micah S. de Leon ([msdeleon@denr.gov.ph](mailto:msdeleon@denr.gov.ph)) of this Office for your confirmation.

Should this invitation merit your kind consideration, here is the zoom link details.
