Dear all,

Kindly see updates on the activity design, as well as the **signed** memo to Regional Directors. Please take note that **the first part of the orientation training (eBAMS, eSEAMS) will be held in Butuan City, while the second part (PAIS, CWIS) will be in Davao City.**

May we also follow up on the confirmation slip of your representative the soonest possible. To clarify, you may send in a different set of staff for the second part of the orientation training.

Salamat!

#### ***Greetings from the Biodiversity Corridor Project!***

We would like to invite you to the Orientation Training on Monitoring Systems (eBAMS, eSEAMS) and PA Information Systems (PAIS, CWIS) this March 5 - 17. This is a 2-week joint training for PASus, APASus, technical staff, CDD staff, and ICT staff for them to familiarize themselves with the Tools and Systems useful in biodiversity and socio-economic monitoring, as well as GIS and mapping.

Kindly see attached unsigned ACTIVITY DESIGN and MEMO for more details on the training.

For ease of logistics and organizing the event, kindly send back the **confirmation slip** for each of your representatives the soonest (deadline: Feb 19).

Maraming salamat!
