Dear Dir. Claudio,

Greetings from Los Baños!

The Forestry Development Center of the College of Forestry and Natural Resources, UP Los Baños, through its Forest Policy eTalks would like to invite you to its webinar on **Operationalizing Forest Management Units: The Indonesian Experience**. This will be held on **01 March 2023, 9:00 am to 12:00 noon** via Zoom and Facebook live stream.

Our esteemed resource person is Dr. Agus Setyarso, former Dean of the Faculty of Forestry, Institut Pertanian Stiper (INSTIPER) and currently the Deputy Director of Center for Oil Palm Science, INSTIPER Yogyakarta who will talk on **Orchestrating the Future of Indonesia Forestry by Instrumentation of Forest Management Units**.

Join us as we learn how Indonesia successfully operationalized Forest Management Units in the management of their forest areas as our speaker discusses the performance of FMU cases, its professionalization, and financing. We have also invited two discussants from the DENR Forest Management Bureau and the Local Government Unit of Aurora to share their thoughts on Indonesia's experience. You may register at this link <https://bit.ly/etalks231>. The policy forum will also be live streamed at Forestry Development Center CFNR UPLB page. E-certificates will be issued to the participants after they fill out the evaluation at the end of the forum. Attached is the draft program of activities. Please feel free to contact our office for any concern regarding the policy forum.

Thank you very much and we look forward to a fruitful online policy forum.

Very truly yours,

DIXON T. GEVAÑA
Director
