## MEMORANDUM

TO : All Regional Executive Directors

FROM : The Undersecretary  
Policy, Planning and International Affairs

SUBJECT : **ONLINE REPORTING SYSTEM (ORS)**

DATE : **FEB 21 2023**

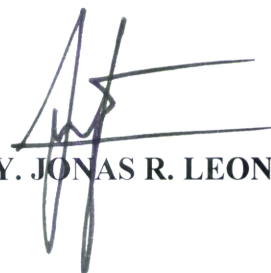

---

The Policy and Planning Service (PPS), through the Program Monitoring Evaluation Division (PMED), developed the Online Reporting System (ORS) which pertains to the online submission of the monthly physical targets and accomplishments of identified major indicators under the different programs of the DENR. The system will utilize applications in the google workspace such as google sheet, form, and drive.

The ORS has the following objectives: a) to streamline the reporting process of the physical targets and accomplishments of major indicators; b) to create a repository database of report; and c) to fast-track querying of data.

In this regard, we invite the following personnel: a) Planning and Management Division (PMD) Chief; b) Monitoring and Evaluation Section (MES) Chief; and c) concerned personnel to attend a consultative meeting to discuss the complete processes, functions, and use of the proposed system via zoom on **February 24, 2023 (10:00AM)**. PMED will solicit comments and recommendations for the improvement of the system prior to its full implementation. The link, meeting ID, and password will be sent via email to your office.

For your information and appropriate action.
