LORMELYN E. CLAUDIO, CESO IV
Regional Executive Director
DENR MIMAROPA

Dear RED Claudio,

As part of the events celebrating this year the 75th anniversary of the partnership between the countries of France and the Philippines, Sulubaaï Environmental Foundation is organizing the Ground Breaking Ceremony of the Shark Fin Bay Scientific Research Center on the 2nd of March at 11:00 in the morning located at Brgy. Sandoval, Taytay Palawan. The said event will be attended by several distinctive individuals from both local and national government agencies of the country including your good office. We expect about 50 guests including DENR Secretary Ma. Antonia Yulo-Loyzaga, Hon. Governor of Palawan Dennis Socrates, and Madam Ambassador of the French Republic Michèle Boccoz.

In accordance with this, we cordially invite you and one representative from your good office to participate in this historic friendship anniversary. Furthermore, following the groundbreaking, we invite you and your team to visit Pangatalan Island before you head back to your home destinations.

Please confirm your attendance and list of attendees from your team before February 27. You can reach me through my mobile number +63 999 198 4125 for further clarification of the said event. Thank you very much and looking forward for the positive response on this matter.

Respectfully,

A handwritten signature in black ink, appearing to be "F. Tardieu", with a stylized flourish at the end.
