Dear Director Claudio:

The Philippine Statistics Authority (PSA) will be conducting a Virtual Dissemination of Statistics on Women and Men (WAM) in celebration of the National Women's Month (NWM). PSA has published the fifth series of Statistics on WAM in December 2022, presenting the latest available gender information in the MIMAROPA region. This publication has been one of the initiatives of PSA in supporting Gender and Development (GAD) mainstreaming.

In this regards, we are pleased to invite a representative from your department to attend the virtual dissemination via ZOOM on 15 March 2023. Link will be provided to registered email prior to the event.

This activity aims to inform our stakeholders regarding the engagement of women and men in the various sectors in the region. For interested individuals, kindly register on the link provided: <https://forms.gle/QuHFwfUiTm69G2iu9>.
