Good Day!

Ito po ay hindi sa dahil naipasara ang nasabing babuyan.

Ito ay sa araw-araw na nararanasan namin na sobrang baho pa rin. Kagabi lang sobrang tindi ng baho around 8pm pasado at ito ay sobrang tagal bago natanggal, hindi namin alam kung ito ba ay sinasadya nalang ng nasabing kumpanya, amoy na hindi mo masikmura hanggang sa loob ng kabahayan ay maamoy.

Kung maari lang esend ang amoy ginawa na namin upang inyo pong malanghap.

Ang questions namin ay bakit ipinasara lamang nangangahulugang stop operations sa pagbibinta ng baboy sa market pero ang pinaka concern dito kaya namin inireklamo ay dahil sa mabaho, hanggang mayroong mga baboy ay patuloy pa rin ang pangangamoy. Mas lalo kaming nag-aalala sa kalusugan ng nga residente dahil sa araw-araw na pangangamoy.

Thank you!

Hi,

Good Morning!

Is there any factors that can affect the implementation of the said and latest order issued by the City Administrator of Puerto Princesa?

One more question for the implementing agency how can we assure that the company follow the order based on our experience, the City Administrator already issued closure a couple of years ago but the company continued their operations until they get the extension.

Regards!
