MEMORANDUM

FOR : ALL REGIONAL EXECUTIVE DIRECTORS

ATT'N : RIVER BASIN FOCAL PERSONS

FROM : THE EXECUTIVE DIRECTOR
River Basin Control Office

**SUBJECT : CONDUCT OF THE TRAINING WORKSHOP/TECHNO
FORUM ON INTEGRATED FLOOD AND WATER RESOURCES
(IFWARM) PROJECT INNOVATIVE APPROACHES AND
TECHNIQUES**

DATE : FEB 23 2023

The Isabela State University (ISU) and the DENR-River Basin Control Office (RBCO) will be conducting a Training Workshop/Forum to present the innovative approaches and techniques on integrated flood, sediment, and water resources management developed under the Integrated Flood and Water Resources Management (IFWARM) in the ASEAN Basins for Sustainable Development Project. The IFWARM Project applies Integrated Water Resources Management (IWRM) approaches and science-based tools used in hydrologic-hydraulic modeling such as the Rainfall-Runoff Inundation Model, Soil and Water Assessment Tool Model, and TELEMAC Model.

We are pleased to inform you that Special Order No. 2023-54 authorizing the conduct of the Training Workshop/Techno Forum was signed last 22 February 2023. It will be held on March 16-17, 2023 at Microtel by Wyndham UP Technohub, Commonwealth Avenue, Quezon City.

In this regard, we would like to request that the designated permanent and alternate river basin focal persons of your region be authorized to physically (face-to-face) attend the event. However, a zoom link will be provided to the participants who will not be able to attend in person. The Training Workshop/Forum will be beneficial in the manpower development of river basin focal persons/river basin management councils.

We have attached the signed Special Order authorizing the conduct of the activity and the program for your reference.

FOR YOUR INFORMATION AND/OR FAVORABLE CONSIDERATION.

NELSON V. GOROSPE
