Sir/Mam:

Good day!

The Foreign-Assisted and Special Projects Service is currently updating our Foreign-Assisted and Special Projects (FASPs) database.

This is to request your respective offices to provide us the **updated list of ongoing and completed FASPs with Project Profile** (using the attached template) and other ENR-related projects such as Partnership Projects with Private or Business Sector (also known as Corporate Social Responsibility) as of 31 December 2022.

Please access and upload in the shared link as a repository drive of your submissions **(including hi-res photo with captions)** : <https://bit.ly/3GGGh41>

Attached are the prescribed template and the signed memorandum for your reference.

We will highly appreciate your submissions on or before **10 February 2023**.

Thank you.
