**08 February 2023****LORMELYN E. CLAUDIO, CESO IV**

Office of the Regional Executive Director

DENR R-IVB MIMAROPA Region

[1515 Roxas Blvd., Ermita, Manila](#)ATTN: **ALL PENRO AND CENRO DIRECTORS****Dear Director Claudio:**

Madayaw!

We would like to invite the researchers of your agency to our Call for Abstracts for unpublished papers from gender studies in Agriculture, Aquatic, and Natural Resources (AANR) conducted from 2010 to 2022. Our team has been working on a two-year research project with the title, "Annotated Compendium of Gender and Development (GAD) in Agriculture, Aquatic, and Natural Resources (AANR): Towards the Developing the Gender and Development Research and Development (R&D) Agenda and Framework." This project is funded by the Department of Science and Technology - Philippine Council of Agriculture, Aquatic, and Natural Resources Research and Development (DOST - PCAARRD) and is implemented by our team from the University of the Philippines Mindanao - School of Management. The researchers through their submissions will contribute significantly to the preparation of the GAD R&D agenda and framework in the AANR sector.

In line with this, we would also like to seek your assistance in sharing our Facebook post in your Facebook page as shown in this link <https://bit.ly/GAD-AANR-Call-for-Abstracts>. The details of the Call for Abstract are also found in this link.

Lastly, we would like to ask if you have research outputs and reports in the AANR sector with a component on gender analysis. This analysis may include sections on sex-disaggregation, decision-making, level empowerment, among others. If you have these studies, we would like to request for copies of these documents.

While you may not experience any direct benefits from your participation, you may benefit from the research outputs through the future directions of gender-related researches and reports in AANR and relevant resources, recommendations for capacity building program for researchers necessary for the conduct of potentials studies and programs, and development of the AANR GAD R&D agenda and framework. Rest assured that we will share our research findings with you.

If you have any questions or concerns regarding our request, you may contact us through either of the following:

Email: [gad-aanr.upmin@up.edu.ph](mailto:gad-aanr.upmin@up.edu.ph)

Phone number: 0935-0743-338

Sincerely,

**Prof. Glory Dee A. Romo, PhD**
