Dear Director Claudio:

The Philippine Statistics Authority (PSA) is the agency that generates and maintains the Philippine System of National Accounts (PSNA), at the national and subnational levels as stipulated under RA No. 10625. This includes the Regional Accounts of the Philippines (RAP) consisting of Gross Regional Domestic Product (GRDP) and Gross Regional Domestic Expenditure (GRDE).

In line with this, we are requesting for a comparative statistical indicator from 2020 to 2022. Kindly fill-out the attached table of the sectoral hard indicators (Attachment A). Rest assured that these data would be treated with the strictest level of confidentiality.
