Dear RED Claudio:

The Geodetic Engineers of the Philippines, Inc. REGIONAL DIVISION IV, will hold its 49th Regional Convention, on MARCH 3-4, 2023 at Citystate Asturias Hotel, Puerto Princesa, Palawan with the theme: **"GEODETIC ENGINEERS: DOing its MIssion, movING for its vision, and GOing through its road map".**

The annual convention aims to apprise the members on matters relevant to our profession and increase the level of their competency through lectures and discussions during technical sessions.

In this light, as one of the well-respected personalities with direct professional and working relationships with our Profession, **it would be our privilege to include your message in the souvenir magazine to be published for the event.** Please attach your latest 2" x 2" colored photograph. Additionally, we are inviting you to be one of our guests in the said event and be acquainted to members and GE Practitioners of the Regions IV-A and IV-B.

We anticipate your favorable response, together with the requested message and photo on or before January 31, 2023.

Thank you.

Very truly yours,

OLIVIA G. BEJO
Regional President
