

January 23, 2022

**LORMELYN E. CLAUDIO**  
Regional Executive Director  
DENR MIMAROPA

Dear Director Claudio,

A conservation day to you!

Mindoro Biodiversity Conservation Foundation Inc. is a non-stock, non-profit organization operating primarily for programs that focus on conserving the environment, biodiversity, and natural resources in Mindoro Island, Philippines. The organization promotes greater awareness and concern for Mindoro's environment through improved information campaigns, capacity building, empowering communities, and enjoining them to formulate and implement responsive policies for effective resource management and conservation.

For the past years, MBCFI has had a close partnership with the DENR working towards the same goals of conserving the environment.

In line with this, we would like to have a courtesy call with you to present our accomplishments for the year 2021-2022 and our plans for 2023, and discuss the strengthening of the partnership of our organization and the DENR.

Should you have any queries or comments, please feel free to contact me through these numbers **+63 917 514 5953** and **0999 999 7299** or email me at **Kathy\_s\_cielo@mbcfi.org.ph**

Thank you very much.

Respectfully Yours,

**Kathy Lene S. Cielo**  
MBCC Manager
