MEMORANDUM

FOR : The Regional Executive Directors
FROM : The Director
SUBJECT : **SUBMISSION OF SOIL AND BIOMASS SAMPLES FOR
THE CARBON STOCK AND CARBON SEQUESTRATION
ASSESSMENT OF NGP SITES AT THE ERDB
LABORATORIES**

This is in connection with the submission of soil and biomass samples for the Carbon Stock and Carbon Sequestration Assessment of NGP sites coming from the different DENR Regional Offices.

We are pleased to inform your office that our Bureau has designated corresponding laboratories that will accommodate your requests for soil and biomass analysis. However, since our laboratories are operating in very limited resources, we will be requesting for the replacement of laboratory supplies that will be used in these services. The list of the laboratories and their contact details is attached in the annex of this memorandum.

For further inquiries on sample submission and analysis, you may communicate directly with the corresponding offices through telephone call or send a message via electronic mail.

For your information and consideration.

MARIA LOURDES G. FERRER, CESO III
