

Regional Disaster Risk Reduction and Management Council MIMAROPA

MEMORANDUM

No. 009, s. 2023

FOR : Regional Directors/DRRM Action Officers of RDRRMC
Member Agencies

Chairpersons, Local DRRM Councils of MIMAROPA

FROM : Chairperson, RDRRMC MIMAROPA

SUBJECT : Utilization of Artificial Intelligence-based Management for
Disaster Risk Evaluation and Monitoring Application

DATE : 26 January November 2023

The Department of Science and Technology (DOST) MIMAROPA have developed the Artificial Intelligence-based Management for Disaster Risk Evaluation and Monitoring (AIM4DREAM) Mobile Application which aims to offer comprehensive information on disasters (before, during, and after) in MIMAROPA Region. The mobile application also includes DRRM-related IEC materials, historical data, incident reporting, and artificial intelligence-powered safety precautions and suggestions, that can help save lives. The said mobile application is continuously being developed and improved by DOST MIMAROPA.

In this regard, and in reference to the agreements/ways forward made during the 4th Quarter Regional Disaster Risk Reduction and Management Council MIMAROPA Full Council Meeting last 20 December 2022, all RDRRMC MIMAROPA Member Agencies and Local Disaster Risk Reduction and Management Councils are requested to install, test, and provide feedback, on the said application. This is to further improve the system and align the features, based on the requirements of the members of the RDRRMC and LDRRMCs. Additional information on the AIM4DREAM application can be accessed by visiting the official website at aim4dream.dostmimaropa.ph. (Please see attached AIM4DREAM Application information guide)

Thank you for your continuous support to the Regional DRRM Council's endeavors.

MGEN RUBEN L CARANDANG PAF (Ret)

Chairperson, RDRRMC MIMAROPA
Regional Director, OCD MIMAROPA, DND
