Dear **Mr. Dorland**:

This pertains to the letter dated 29 April 2022 of the Mines and Geosciences Bureau (MGB) MIMAROPA regarding your submitted Comprehensive Development and Management Plan (CDMP). The said Memorandum stated that the FLAg area you are applying for falls within the applied areas for Exploration Permit (EPA) and Financial and Technical Assistance Agreement (FTAA).

Relative thereto, we are advising you to coordinate with MGB MIMAROPA regarding the clearance needed for your energy project. You may contact them at mines_4b@yahoo.com.

Attached is the sketch plan and copy of MGB Memorandum Circular No. 2020-009 for your reference. Once complied with, incorporate this in the CDMP with the appended MGB clearance and sketch plan.

If you have queries, you may contact the CDMP Regional Review Committee (RRC) Secretariat at pfmscdd2016@gmail.com.

Thank you.

Very truly yours,

LORMELYN E. CLAUDIO, CESO IV
