Dear Ma'am/Sir,

Happy New Year!

This refers to the invitation letter we sent on December 21, 2022 with document number: **E-2022-100277**. May we inquire if Director Claudio or Assistant Director Landrito has assigned a representative who will participate in the training?

As we are booking plane tickets and finalizing logistics, we hope to receive your feedback on or before **January 4, 2023 at 3 pm** for us to facilitate the selected staff's travel arrangements.

Maraming salamat po,

Paula Patricia Vila

Dear **Director Claudio**,

Greetings!

As part of our capacity development initiative, we would like to invite you to the **forest carbon inventory training** that will be conducted by Conservation International Philippines, under the *Community, Conservation, and Natural Climate Solutions (CCNCS): Mantalingahan Landscape Conservation Project*. This training aims to capacitate community and government partners in forest inventory techniques that would be useful for carbon plot monitoring and validation. It will involve a one-day classroom session and a three-day field training that will be conducted in select terrestrial and mangrove forests in the municipalities of Brooke's Point and Rizal, Palawan.

This four-day training will be held on **January 11-14, 2023** at **Maruyog Farms and Garden Resort, Brooke's Point, Palawan**. Attached is the invitation letter for more information. For any questions, please do not hesitate to reach us by replying to this email or by contacting me at **09688634467**.

We appreciate your continued support, and we look forward to your participation.

Sincerely,

Paula Patricia Vila
