Dear Director Claudio,

We would like to request for the assistance of your office in creating a briefer for GMA News interview request for 24Oras with a DENR official.

Herewith are additional guide questions provided by GMA News, to which we will request your office to respond/provide pertinent information on:

1. DENR is also being blamed for large scale conversion of forestland to agricultural land in certain areas like Rizal, Palawan. The NGOs say this is illegal since it is forestland.
2. Other questions related to enforcement like ECC from DPWH projects etc. which NGOs claim destroy the forests further (road widening projects, etc.)

Attached also is the formal request letter from GMA for your reference.

Hoping for your kindest consideration, Ma'am.

Thank you very much!

Regards,

Sheela Legaspi
