**SUBJECT: INVITATION TO ABRA DE ILOG RIVER RESTORATION
PROJECT PRELIMINARY CONFERENCE**

Greetings:

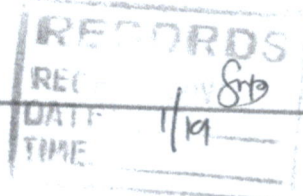

We request your presence on January 31, 2023 at 1:30 pm at SB Session Hall, Legislative Building for a preliminary conference with the LGU Environmental Protection and Disaster Prevention Technical Working Group to discuss planned interventions in Abra de Ilog rivers. Our LGU TWG is tasked with overseeing all activities and programs with ecological impact on critical areas to ensure disaster prevention and risk mitigation.

Please bring all needed and relevant resource materials and information that would bring clarity and understanding of the planned activity for us to come to an agreement.

LGU Abra de Ilog is committed to the twin objective of environmental protection and disaster prevention. We believe achieving both is possible with proper coordination, transparency, and objective accountability.

E-mail: lgu.abradeilog@gmail.com
Website: www.abradeilog.gov.ph

Certain sections of our rivers have caused loss of lives and substantial damage to property. This is due to both man-made and natural causes, and we know that river restoration, if done right is a solution. Let's agree on the manner of achieving our objectives and who knows, we may even attain the incidental bonus of commercial and economic gain.

Looking forward to your presence and active participation.

Thank you very much!

Very truly yours,

MARIA GLORIA M. CONSTANTINO
