2/F Main Bldg. DENR Central Office, Visayas Avenue
Diliman, Quezon City

Dear Undersecretary Leones:

Following our letter last 29 November 2022, I am pleased to inform that KOICA will conduct a Preliminary Survey for the project on **Environment and Natural Resources Information System (ENRIS) for Palawan towards Food Security and Water Quality Improvement**.

A Preliminary Survey Team composed of experts from Korea and officials from KOICA Philippines Office will be dispatched to Palawan from **10 - 19 January 2023** to assess the feasibility of the project. The Team will conduct consultations with relevant agencies, review project data and inspect the proposed project sites.

In this regard, may we request DENR and the Palawan Council for Sustainable Development (PCSD) to undertake the necessary preparations for the survey activities. Attached are the tentative schedule and list of Team members for your advance reference.

Our Program Manager, Mr. Francis C. Atable, will coordinate with DENR and PCSD to finalize the arrangements. He could be reached at email: francis.atable@overseas.koica.go.kr and mobile no. 0917-5813846.

Thank you.

Truly yours,
