1. **WHAT:** Investigation and verification on the reported stock piles of timber poles (Bungan)
2. **WHO:** The undersigned personnel
3. **WHEN:** June 20, 2023 at around 12:28 in the afternoon
4. **WHERE:** Sitio Panggawaran Bgy. Decalachao Coron Palawan

5. **HOW:**

Please be informed that on June 19, 2023, we received a report from the concerned citizen that there was stock pile of timber poles at Sitio Panggawaran, Brgy. Decalachao, Coron, Palawan. Then, in the morning of June 20, 2023, the team proceeded to the area to confirm the veracity of the report.

Upon arrival in the area, the team observed three piles of Iron wood (Bungan tree) poles with different sizes in terms of diameter and different numbers per piles. Inventory revealed that a total of 235 pieces of poles with the diameter ranges from 5 cm. up to 15 cm. with 2 meters long. In addition, claimant/owner of such poles was not found in the area during the investigation thus it was declared as abandoned.

Further, due to the remote location and difficulty of terrain of the area, hauling of these forest products was too difficult. Thus, documentation of such was secured as well as posting of notice of apprehension was done.
