Call for Participants — Onsite Training Seminars in Applied Statistics August 2023

The University of the Philippines (UP) School of Statistics, in collaboration with the University of the Philippines Statistical Center Research Foundation, Inc. (UPSCRFI), is pleased to announce our onsite training seminars this August 2023.

- Basic Statistics with Exploratory Data Analysis

  o 2-4 August 2023

  o 9:00 AM–12:00 NN and 1:30–4:30 PM

  o Computer Laboratory 1, School of Statistics, UP Diliman, Quezon City

- Introduction to R and Data Management Using the Tidyverse Ecosystem

  o 9-11 August 2023

  o 9:00 AM–12:00 NN and 1:30–4:30 PM

  o Computer Laboratory 1, School of Statistics, UP Diliman, Quezon City

The two modules aim to equip participants with the foundation in understanding Statistics, and with the basics in using R, one of the most popular platforms in doing statistical analysis. Details of the training seminars are found in the link for your reference: bit.ly/UPSS-August2023-Trainings-Info

Faculty members of the UP School of Statistics with wide-ranging consulting and research experience will serve as resource persons. Certificate of completion will be awarded to participants upon successful completion of a module.

The training seminar fee for each module per participant is Php 10,000. The training fee includes materials, lunch, snacks, and use of laboratory facilities. Interested individuals and groups may register until 26 July 2023 using this link: https://bit.ly/UPSS-August2023-Trainings. Full payment shall be made one week before the start of the training seminar and payments are non-refundable for no show participants. Discounted rates are available for individuals who will register for the two modules, and for groups of at least 10 participants. Guidelines on the discounted rates are attached in this email for your reference.

Payment details will be provided after accomplishing the registration form.

Thank you very much. We look forward to seeing you in one of our training seminars!

Yours sincerely,

(sgd.) Czarinne Antoinette A. Antonio
Director, Office for Extension Services and External Linkages
UP School of Statistics

Endorsed by:

(sgd.) Prof. Joseph Ryan G. Lansangan, PhD
Dean, UP School of Statistics
Executive Director, UP Statistical Center Research Foundation, Inc.
