Dear Ma'am,

This is to formally signify our serious intention to apply for a pasture area for our growing cattle population. Our family has been involved in livestock breeding and growing for 17 years.

We have identified an area in Occidental Mindoro located in Barangay Manoot and Insulman suitable for our needs. It's about 1,700 hectares more or less. This area is part of the delineated Production Forest for Investors conducted by the Regional Delineation Team. In this regard, may we request for documentary requirements to be able to proceed with this application.

We hope to receive your utmost assistance and support.

Very truly yours,

ALEXANDER B. CARLOS
President
