SUBJECT : **2nd QUARTER ACCOMPLISHMENT REPORT OF
INFORMATION, EDUCATION AND COMMUNICATION TEAM
OF CENRO BROOKE'S POINT**

Information, Education and Communication campaign and other activities are continuously conducted by the personnel of this office in collaboration and participation of the Local Government Units and other partner agencies and companies within the jurisdiction of the CENRO. Several activities from April to June 2023 were conducted and participated, to wit:

I. Special Events and Celebration

1. Earth Month

On April 22, 2023, CENRO Brooke's Point conducted coastal clean-up at Ursula Island Wildlife Sanctuary (UIWS). 21 participants (20 male, 1 female) from Mines and Geosciences Bureau MIMAROPA, CENRO Brooke's Point personnel and Rio Tuba Nickel Mining Corporation actively participated on the said event. Participants started by happily picking up coastal debris around UIWS. A total of 9 sacks or an estimated 50 kilos of non-biodegradable wastes were collected in the area. Most of the debris collected was food wrappers, containers, glass and plastic beverage bottles. Collected wastes were then transferred to mainland Rio Tuba for proper disposal.

2. *Month of the Ocean*

On May 13, 2023, CENRO Brooke's Point in collaboration with Coral Bay Nickel Corporation conducted coastal clean-up at Sitio Tagdalungon, Barangay Rio Tuba, Palawan. Over a hundred participants consists of personnel from Coral Bay Nickel Corporation, CENRO Brooke's Point, Barangay LGU of Rio Tuba and local communities actively participated on the said event. A short program was conducted first before the clean-up and mangrove planting. Participants started by happily picking up coastal debris around the area. A total of 12,000 kilos of non-biodegradable wastes were collected in the area. Most of the debris collected were food wrappers, containers, glass and plastic beverage bottles. Collected wastes were collected by the garbage truck of Coral Bay Nickel Corporation to be transferred to the Sanitary Landfill of LGU Bataraza. After the clean-up, the participants proceeded to the planting area to conduct mangrove planting. A total of 300 mangrove propagules (tangkal) were planted in 0.6 hectares.

3. *World Environment Day*

On June 05, 2023, CENRO Brooke's Point in collaboration with Ipilan Nickel Corporation (INC) conducted tree planting at Barangay Maasin, Brooke's Point, Palawan. It was participated by 92 individuals consists of 50 INC personnel, 30 SDMP scholars and 12 CENRO Brooke's Point Personnel. A total of 11, 200 seedlings with species like Narra, Ipil, Agoho, and Bamboo were planted in a 2.2 hectares area. Photos and video with high resolution were uploaded to the google drive link provided by the Central Office per undated Memorandum. Likewise on the same date, DENR CENRO Brooke's Point personnel attended the 2023 World Environment Day Program through Zoom.

II. Forest Protection Awareness

The continuous coordination with the LGUs and IEC activities is conducted regularly to strengthen the relationship of all stakeholders and monitoring and manning of checkpoints 24/7 is being implemented. The IEC also increases awareness of the community on the importance of the forest and its benefits in their daily lives and the effects of forest destruction/denudation including the forestry laws, rules and regulations being implemented by the DENR in the protection and conservation of our natural resources.

For the 2nd Quarter, Delisting Team of CENRO Brooke's Point conducted IEC to 14 barangays of Bataraza which was listed as follows:

DATE	BARANGAY	Topics discussed:
April 12, 2023 AM	Buliluyan	➤ Importance of Forest
