

PROVINCIAL DISASTER RISK REDUCTION AND MANAGEMENT OFFICE

20 July 2023

LORMELYN E. CLAUDIO, CESO IV

Regional Executive Director

Department of Environment and Natural Resources - MIMAROPA

Ermita, Manila

Dear **RD Claudio**:

This refers to the termination of the Oil Spill Response Operations in Oriental Mindoro in relation to the MT Princess Empress incident. On the final assessment conducted on 13 July 2023, which was attended by technical experts and representatives from the national agencies and local government units, results showed that the oil spill situation in the province has improved and that the sheens observed during the assessment can weather naturally, and that these sheens will not reach the shoreline. It is also on this day that the body has recommended the termination of oil spill response operations, so efforts will now be focused on rehabilitation.

In this regard, may we respectfully invite you to attend the demobilization ceremony on 26 July 2023, at 2:00 PM, at the Oriental Mindoro Heritage Museum, Brgy. Ibaba East, Calapan City, Oriental Mindoro. Likewise, may we request a message during the ceremony.

Should you have any questions or concerns regarding this communication, please reach us through email at opswarningdivpdrmo@gmail.com or call/text Ms. Mannylyn A. Guevarra, Local DRRM Officer I, at mobile number (0917) 115 8744.
