To whom it may concern:

Save El Nido launched an online campaign last June 10, 2023 to call action to the authorities and agencies who, in the first place, should have enforced the law and prevented the group of Iloilo Watercraft Association from continuing their jet ski adventure inside the protected areas located in the municipalities of Taytay and El Nido, Palawan.

They were in Taytay and El Nido from June 1 to 10. They have managed to leave without apologies nor penalties.

You can follow or support the cause by signing the online petition on the link below:
