Dear Ma'am,

Greetings!

This pertains to your electronic mail that we received on July 20, 2023. The possible source of the Psd-04-018799 is Geodetic Engineer Lucy Janet R. Pasion who was able to produce the sketch plan attached to your request. You may also directly inquire to the Chief, Surveys and Mapping Division of the DENR MIMAROPA at 1515 L & S Building, Roxas Boulevard, Ermita, Manila.

Thank you.

Very truly yours,

CONRADO M. CORPUZ
Community Environment and
Natural Resources Officer
